

Information session about the National Disability Insurance Scheme

Langford Aboriginal Association
Thursday 31st May 2018

10AM – 12.30PM

Let's have a yarn to help you get clear about the NDIS and what it means for you and your family. We will give you the latest information we have about the transition and rollout of the NDIS across WA. Bring your family, friends and questions.

Planning is an important part of the NDIS. Before you start the planning process, it can be helpful to prepare so you don't miss important things that could be included in your plan. In this workshop, WAIS will explain what you could think about beforehand to prepare for the planning process. Being prepared can help you feel more confident that the plan will better provide what it is that you or your family member wants or needs.

This event is presented by WAiS (WA's Individualised Services) and has been supported by the Department of Communities, Disability Services (formerly Disability Services Commission) with Information, Linkages and Capacity Building grants.

Government of **Western Australia**
National Disability Insurance Scheme
