

# Employment Transition for People with Disability

**NDS** National  
Disability  
Services

Western Australia

Government of **Western Australia**  
Department of **Communities**  
**Disability Services**

## National Disability Services (NDS) WA

Invites you to register to attend the **FREE** upcoming:  
**“Parent Employment Supports Information Session”**

People with disability have the capacity and ability to take part in meaningful work of their choice when provided with the right employment strategies and supports. With the National Disability Insurance Scheme (NDIS) currently being rolled out in Western Australia, and an expected full rollout of the scheme by 2019, people with disability particularly those with significant disability are now seeking transition to work supports.

Attendees to these information sessions will be able to learn about the employment support options available inside and outside the NDIS. The information sessions will be held in AM and PM sessions in the following NDIS roll-out areas.

### Cannington Community ESC
