To our Cannington ESC families and musicians,

Musician's Nomination for Music Rocks the Rosemount, Saturday, 6th April, 2019

The Music Rocks Ensemble Program has produced some amazing musical, personal and social outcomes already in 2019. Our students are having fun and the engagement and connection each week is something to behold.

We are inviting our Cannington ESC musicians and families to the end of term MRA concert at the Rosemount Hotel, our first Music Rocks event for the year, and the event is planned and run especially for you in mind. Although we have just started, this concert will give our musicians an idea of the excitement and their musical planning and ideas for the rest of the year. You'll be amazed at what the bands have achieved already too! *It will be up to families rather than the school to get your kids to and from the venue.* The details are:

Saturday, 6th of April, 2019

MRA presents 'Music Rocks the Rosemount'
'The Rosemount Hotel', 459 Fitzgerald St, North Perth
Session 2: Entry **12.40pm**, Start: **12.55pm** sharp

Our musicians enter for free and for Cannington ESC families **each musician will receive a complimentary ticket for a family member/friend** when they return the slip below, so that ticket price will not exclude anyone. It is a condition of entry that our kids attend with a parent/guardian. This is a great venue for food, drinks **and access to the stage for our musicians with wheelchairs too**. Our Cannington ESC staff gain free entry to support the performances too. For more family and friends to witness the amazing!:

Tickets: on sale exclusively from www.oztix.com.au & www.coolperthnights.oztix.com.au

Cannington ESC participants **FREE**, Adults **\$18**, Children **\$13** (+ approx. \$3 booking fee on each ticket).
DOOR tickets available on the day will be a \$25 Adult, \$20 Child per ticket (*this is venue policy*).

It must be noted that attendance is non- compulsory. For our Year 10's and up, performance will contribute to the unit achievement for our SCSA endorsed ADMPE program with photos, reflection and video part of the recognition and evidence for the course.

The session will go for about 90 minutes and our Cannington musicians won't have to wait too long in the session. We will supervise musicians during the concert and we are famous for our care of our kids during concerts with plenty of space and attention. To have our musicians walk off stage 10ft tall, crowd ringing in their ears, having completed goals in front of family and friends, taking that confidence into the rest of their lives is what it's all about. This is something that our young people will never forget. I look forward to your participation and if you have any queries please contact me via email or phone.

Kind Regards, Dean Blanchard
